DINING

Sanibel is where elegance finds its calm.

Where clean lines and thoughtful proportions create spaces that feel effortless. Where every detail — from the sculpted leg to the soft-pressed wicker backing — is shaped with intention.

Serene. Refined. Endlessly inviting.

This is Sanibel.

Showcasing Pressed Wicker – A man-made material crafted by tightly twisting pulp fibers into durable strands. This material is highly flexible and uniform while offering a smoother feel versus natural wicker.

Recommended for indoor use only.
