SUMMIT COLLECTION

Design your dream bedroom retreat with the timeless elegance of the Summit collection. Its new traditional styling offers classic proportions brought to life in a fresh, fashionable gray finish. Tasteful paneled details and premium solid zinc die-cast hardware add a touch of refinement while creating a distinctive look that can be dressed up or down with ease. Undermounted full extension drawer slides that close softly and silently are included on every drawer throughout the collection. For more added convenience, the nightstands feature built-in dual USB ports.
