Everyday elegance from

COSMOPOLITAN

COLLECTION

BY *John Thomas* FURNITURE®

As sophisticated as it is enduring, the Cosmopolitan Dining Collection by John Thomas Furniture embodies the art of modern dining.

Crafted in solid wood, each piece reveals clean, architectural lines — a study in balance between contemporary design and timeless appeal.

Curated for the way we gather today, the collection offers an array of dining essentials — tables, chairs, stools, and a server — available in both 30" standard height and 36" high dining.

Select from solid or extension tops, elegant pedestal bases, and intuitive butterfly leaf mechanisms designed for seamless storage and effortless versatility.

The palette speaks to refined taste: Taupe Gray, Coal & Black, Honey, and Heather Gray & White — four sophisticated Quick Ship finishes, shipping from North Carolina within 30 days when in stock.

A statement of form, function, and understated luxury — the Cosmopolitan Dining Collection invites you to dine beautifully, every day.
